## War Record

Jack Grime appears to be wearing the cap badge of the Military Police. He has no other insignia, but does appear to be wearing an early issue uniform. There is a medal roll entry for Sergeant John Grime (No: 467) Military Mounted Police.<sup>(16)</sup> This tells us that he was a regular soldier, having originally enlisted in April 1894, but had been discharged as unfit in April 1915. He received the silver war badge. He has not been identified from the census records, although he did live in Edgworth.
